Welcome Message

Dear Colleagues,

It gives us immense pleasure to welcome you to **AMASICON 2027,** the **International Conference of the Association of Minimal Access Surgeons of India,** to be held from **19th to 21st August 2027 at JW Marriott, Pune.**

As minimal access surgery continues to evolve through advances in surgical techniques, technology and clinical practice, the opportunity to come together, exchange experiences and learn from one another becomes increasingly valuable. **AMASICON 2027** aims to provide a dynamic platform for scientific learning, meaningful discussion and professional interaction.

Our endeavour is to bring together accomplished surgeons, academicians, young professionals and industry partners for an engaging and enriching conference experience. The programme will encourage the sharing of knowledge, practical insights and contemporary perspectives while providing opportunities for collaboration and professional networking.

We warmly invite the surgical fraternity from across India and beyond to participate actively in **AMASICON 2027** and contribute to making this gathering a memorable milestone for our community.

We look forward to welcoming you to Pune for three days of learning, interaction, innovation and fellowship.
